Subject: Please send to Varsity Teams and JV Dance - Welcome Coach Christa

Hello Pep Squad Families,

We're excited to announce we now have a second JV Cheer coach to co-coach with Coach Rachel. Please welcome Coach Christa Martin!!

Christa recently graduated from Texas Christian University and is currently working on her teaching credential at Concordia University in Irvine. In addition to working at El Toro, she is an instructional assistant at an elementary school in our school district. She spent twelve years cheering competitively, as well as six years coaching cheer teams and tumbling classes at OC Allstars. She is passionate about this sport and excited for the opportunity to work with our athletes. We're excited to have her be apart of our pep squad family.
